The present foggy weather, while unpleasant in some ways is a great convenience to the farmers as it keeps the ground in just about the proper condition of moisture for plowing. A visitor to Williams creek last week reports the farmers of that locality as improving to the utmost the present favorable plowing season. The valley of Williams creek and the Applegate contains some of the finest and most productive land in southern Oregon, which means that it is surpassed in very few places on the globe.

Island Flotsa Away.

A large floating island on the Mekong or Cambodia river, in Siam, recently slipped its moorings and has not been seen or heard of since. There were a number of trees three feet in diameter on the island and the land was under cultivation. The owner has been hunting diligently for his property, but has not been able to hear any tidings of it. It undoubtedly went down the river with a freshet and has either stranded or gone to pieces.

## AMUSEMENTS.

### Gorton's Minstrels.

Gorton's minstrels will hold the boards at the opera house Tuesday evening, November 20. This is the record-breaker minstrel show of America. The reason of this is not hard to find. The company is a strong one, well organized and managed, so that the best is made of the diversified talents of the various members of the company. Traveling as they do in their own private car, which has all the comfort and conveniences of a first-class hotel, they are always fresh and ready to do their best, no matter what the train schedule may be.

Of the band, which is a strong musical organization, too much can not be said. It is a revelation in the way of a minstrel band. Not one of those loud, blaring arrangements which do more than attract the attention of the passer by, but one that plays popular and classical music in a manner that will make the musician as well as the average citizen pause and listen with admiration.

Wait for Gorton's Famous Minstrels and you will not miss it. The quartette singing, musical acts, portrayal of the southern darkey in his natural health, dancing and specialties are said to be the best in the business. Gorton's Gold Sextette, orchestra and many other features go to make up the cleanest minstrel show traveling.

Grand Mask Ball.

The Foresters of America will give a masquerade on Thanksgiving evening Nov. 29, and the order is making elaborate preparations for the occasion, which will be one of the social events of the year.

Demaree's orchestra has been engaged to furnish the music and a supper will be served in the basement of the hall by Mrs. Almy.

A reception committee will be in attendance to whom the maskers may reveal their identity on entering the hall. Tickets for the dance, \$1; spectators 25 cents.

Cantata, "David."

On Tuesday and Wednesday evenings, December 3 and 4, the Grants Pass Choral Union will present the beautiful cantata, "David, the Shepherd-Boy," which is one of the very finest of productions in its line. It is a succession of grand choruses and beautiful solos, with brilliant costumes and scenic attraction. About 60 voices will unite to swell the choruses and the solo work is exceptionally fine. Admission 25 and 50 cents.

Old Maid's Convention.

By the repeated solicitations of the people of Grants Pass the ladies of the Relief Corps have decided to reproduce the "Old Maid's Convention" in the near future. Everybody invited.

Coming Events.

Nov. 20—Gorton's Minstrels at opera house.

Nov. 22—Walter Walker and company in farce-comedy, "That Man," at opera house.

Nov. 29. Thanksgiving Day.

Nov. 29. Foresters mask ball at opera house.

Dec. 3 and 4—Cantata, "David, the Shepherd Boy" by Grants Pass Choral Union, at opera house.

Dec. 6—"Old Oleson" at opera house.

Dec. 25—Christmas Day.

Thanksgiving Services.

Union Thanksgiving services will be held, Thursday, 29th inst at the Baptist church at 10:30 a. m. Rev. C. W. Hays will preach the sermon. Come and worship!

Church Notice.

Mrs. A. N. Fisher, corresponding secretary of the W. F. M. S. of Oregon will make an address upon the work and needs of that society in the Newman M. E. church on tomorrow, (Thursday) evening. All are cordially invited to attend and hear this lady.

As the general conference of the M. E. church has asked all Methodist preachers and people to observe annually one entire Sunday, in November as Temperance Sunday, the pastor of the Newman M. E. church of this city will upon the coming Sunday morning answer these questions, viz: "Why am I a prohibitionist?" Also, "Why did my name stand upon the official ballot in the recent election as one of the candidates as a presidential elector in this state?" In the evening the address will bear more directly upon the great evils growing out of the liquor traffic at the present day. A considerable curiosity exists as to what this "crank" believes and has to say upon these serious questions. The only way to find out is to go and hear him.

Mining, Real Estate and Insurance.

The scarcity of houses for rent in Grants Pass is causing a demand for building lots. I have a choice selection of lots at the lowest prices and some of them on very easy terms. Be sure to call and see me.

I am getting in touch with the mining men of the county and investors from abroad. Would be pleased to know what residents of the county have, even if they do not need my services just now.

Have you place or quota? Will you sell stock or lease?

I represent 10-15 fine insurance companies and would be pleased to write your policy. I also attend to collections.

E. C. PENTLAND.

Opera house block, Grants Pass.
